Risks and Obligations

Club trips necessarily involve physical activity in areas that may have rugged terrain and be exposed to extremes of weather. The club attempts to ensure that leaders are experienced in the activities that they lead.

Participants must understand that they are responsible for their own fitness, experience and appropriate equipment. They accept the risk of injury involved in club activities and that the club, or club members, cannot be held responsible for any injuries incurred.

VMTC recommends that participants have their own personal health/risk insurance and ambulance insurance.

Transport delays etc may prevent club parties returning on schedule. Please ensure that anyone who would worry knows to ring a club Emergency Contact as listed below.
